Although I have been mediating Family Law cases in Bexar County for the last four (4) years, I haven't been able to introduce myself properly to everyone... yet. My name is Randy Alwais and I offer family law mediations of the highest caliber at a cost reasonable for most clients. I have a high settlement rate and charge less than most other mediators (\$500 per party for a full day; \$250 per party for a half).

I was licensed in 2000 after graduating from St. Mary's School of Law. In 2012, I devoted my career exclusively to mediation, focusing primarily on family law mediation. Before then, I represented clients in a range of family law and general civil litigation issues through all phases of litigation, including appearances before the Fourth Court of Appeals and Texas Supreme Court.

I have a pragmatic approach to resolving property division issues and quickly obtain compromise on valuation issues. For custody and modification issues, you need a mediator that can quickly get to the underlying issues and motivations of the parties and that can create creative solutions to obtain a positive result for both parties. I have dealt with even the most complex cases and obtained resolution.

I have a comfortable office with ample space to accommodate your mediation. My office is conveniently located off 410 between Babcock and Callaghan, and will travel to one of the attorney's offices if agreed.

I would like the opportunity to prove that high quality, successful mediation can be cost effective. Please let me know if you have any questions or if I can be of assistance to you in scheduling your next mediation.

Yours truly,

Randall L. Alwais
